

Field Trip to Cold Canyon Landfill and Recycling Center

Dear Parent Chaperone,

Thank you for volunteering to help during our field trip to the Cold Canyon Landfill. Safety is our first priority, so we kindly ask that you follow these guidelines.

- ✓ **Please wear shoes that completely cover your feet (no sandals).**
- ✓ **You may not bring siblings or other children.**
- ✓ **Private vehicles are not allowed, you must arrive on the school bus.**
- ✓ **Please set your phone to “off” or “vibrate” during the field trip.**

You will be assisting throughout the field trip to help our visit run smoothly and safely. Please be prepared to provide assistance during activities, help hand out safety equipment and act as safety monitors during the entire field trip.

Our field trip host, San Luis Obispo County IWMA and I appreciate your participation in this fun and educational field trip. Thank you for your participation!

Sincerely,
